

Instructions For:

Wall Mount Bracket

Product Specifications

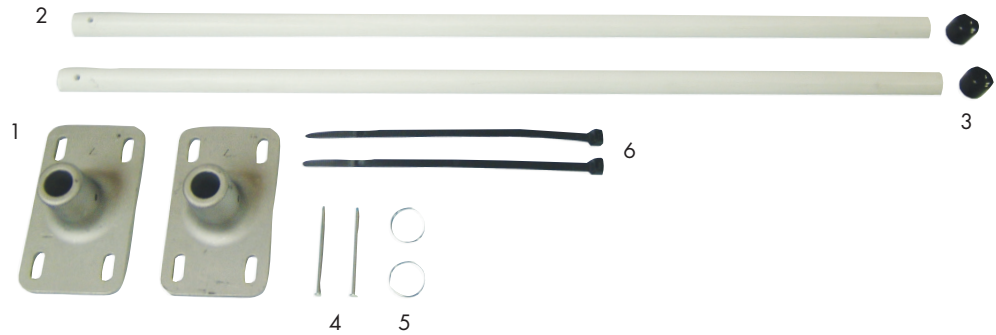

Maximum Graphic: 24 sq ft

Variable Graphic Sizes: Widths: 18", 24", 30", 36"

Product Parts

- 1 - Brackets (x2)
- 2 - Fiberglass Arms (x2)
- 3 - End Caps (x2)
- 4 - Pins (x2)
- 5 - Rings (x2)
- 6 - Zip-Ties (x2)

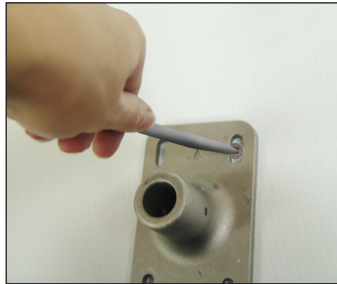

Step 1

Take all parts out of the box.

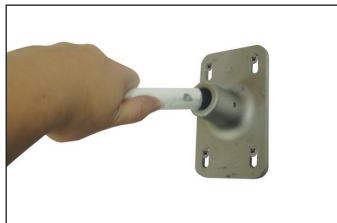

Step 2

Place the Brackets (1) against the desired mounting surface, and mark the locations of the holes. Pre-drill the holes, and apply any additional mounting hardware (not included) that may be necessary dependant on the mounting surface. Screw the Brackets into place.

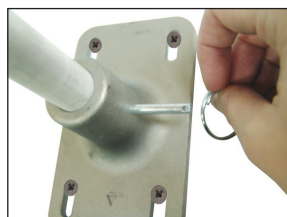

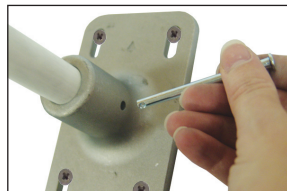

Step 3

Insert the Fiberglass Arms (2) into the Brackets (1), and align the drilled hole in the Fiberglass Arms with the small hole on the side of the Bracket.

Step 4

Feed the Pin (4) through the small hole in the Bracket (1) and Fiberglass Arm (2), and attach the Ring (5) to the small hole on the Pin.

Step 5

Slide the Pole Pockets of the Banner onto the Fiberglass Arms, and secure the Banner by using the Zip-Tie (6) to attach the Grommets in the Banner to the Rings (5). Finish by sliding the End Caps (3) onto the ends of the Fiberglass Arms (2).
