PRODUCT DESCRIPTION

Introducing the new Wallbox Fabric Display, a portable unlike anything you've ever seen. Your exhibitors will be in awe of it's mighty size! You might need a friend to help you set it up, but don't let this giant dissuade you it's completely toolless! Using the same framework as our line of Skybox Hanging Banners, set up is a snap! With push button snap locks, the tubes connect together without the need for tools. Custom dye sublimated fabric graphics fully wrap the entire frame. We offer two graphic options for the wallbox. Double sided graphic option includes dye sub printed front panel, back panel, and end caps, with plain black fabric on the top and bottom. Single sided graphic option includes dye sub printed front panel and end caps with your choice of blank white or black fabric for the backside, top, and bottom. The graphic is finished pillowcase style with a zipper at the bottom for easy installation and a clean finished look. A travel bag is included to transport and store your display in between events.
