

# **WAVELINE**® Bannerstand

These portable, collapsible, stable, beautiful banners are one of the top sellers in our catalog. Thanks to their super competitive pricing and frame-less presentation, they now out perform any other banner. Users can easily and effectively replace graphics on-site without any training, making them a retail advertising favorite.

- Lightweight push-fit aluminum frame
- Washable full color printed pillowcase graphics with vibrant colors
- Includes padded bag with handles for easy transportation
- Single or double-sided graphics completely cover the frame for 360-degree visibility
- Need a custom size? Upgrade to Waveline Media panels
