

# Over the Top Floor Base Kit

Kit Item# 280331

THIS ITEM# WORKS WITH HARDWARE #280330

## Product Parts

- 1 - Floor Base (x2)
- 2 - Screws (x2)
- 3 - Pole Post (x2)

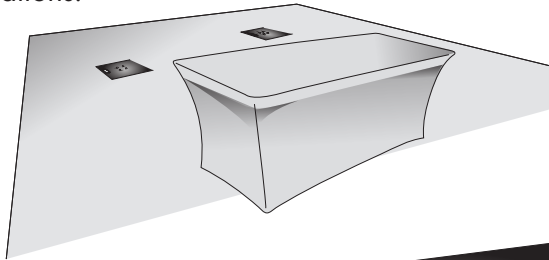

**INDOOR USE ONLY**

## Display Set-Up

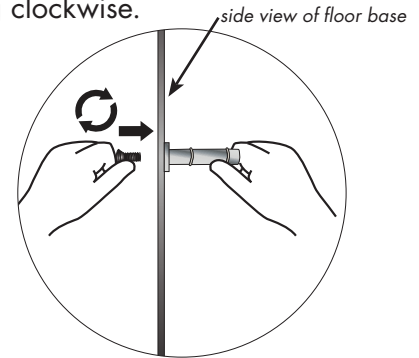

### Step 1

Place Each Floor Base (1) at their designated location, on a clean flat surface. If placing behind a table, use the table legs as an indicator for Floor Base (1) locations.

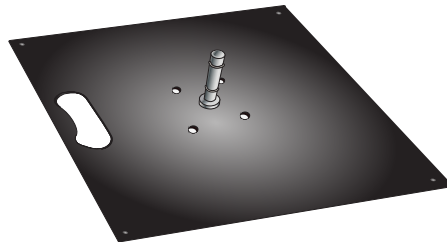

### Step 2

Lift each base and push the Screw (2) through the backside center hole, while holding the Pole Post (3) in place on the front side. Secure the Screw (2) to the Pole Post (3) by turning clockwise.

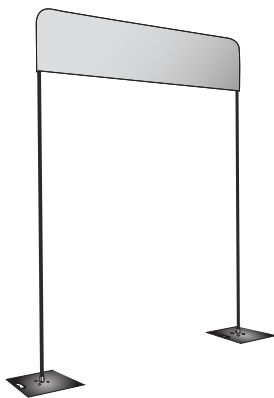

### Step 3

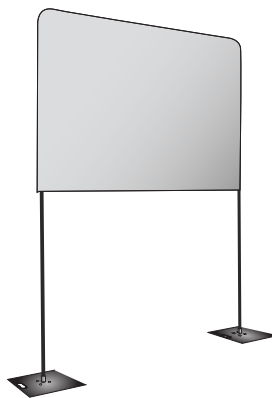

The Floor Base (1) is now ready to accept the hardware. *(sold separately)*

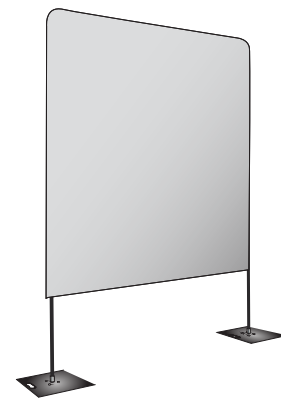

## Display Options

Over the Top Header shown on Floor Bases  
(Hardware and Banner sold separately)

Over the Top Short Wall shown on Floor Bases  
(Hardware and Banner sold separately)

Over the Top Tall Wall shown on Floor Bases  
(Hardware and Banner sold separately)

Warranty Information: All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
