Setup Instructions • Waveline Counter CA700

STEP 07

Pull the silicone grooved edge of the fabric graphic (F) over the top of the case lid (A) and push onto the edge. Push the groove all the way around the case lid (A) until secured without over stretching.

do not overstretch silicone edge when installing the fabric graphic or you will end up with extra fabric that will not press on.
STEP 08

Turn the entire case set-up over and pull the edge of the fabric graphic (F) over the top of the base (B) and tuck under the lip into the groove of base (B). Follow all the way around the base (B) until secured.

do not overstretch silicone edge when installing the fabric graphic or you will end up with extra fabric that will not press on.

STEP 09

Make sure that all wrinkles are out and the fabric graphic (F) looks straight. Press the counter top (C) onto the case to secure.

STEP 10

Complete.
