

## POP UP PODIUM CASE

Molded plastic hard carry case with inset wheels for easy mobility. The case has a handle on the lid and also a center grip on the side of the case to make transporting your display(s) easily. The lid is fully removable and attaches with the use of 4 latches. The latches are also compatible with small luggage locks to keep your contents secure. Cover your case with an optional full color dye sub printed fabric wrap. The graphic wrap is finished like a sleeve that slides over the case, so graphic install and removal only takes seconds. The Pop Up Podium case is only recommended for storage and is not rated to be used as a shipping case.
