

Igniter Light Boxes Limited Warranty

North America Display Corporation warrants this product to be free from defects due to workmanship or materials, under normal use and service, for a period of 12 months from the date of shipment.

Any product that is proven to be defective in workmanship or materials must be returned to North America Display Corporation within the applicable warranty period, in accordance with the procedure described below. North America Display Corporation will, at its option, either repair, replace or credit the customer for the purchase price of the product, in accordance with the procedure described below. This warranty extends only to persons or organizations that originally purchase the product from North America Display Corporation.

The expressed warranty above constitutes the entire warranty of North America Display Corporation with respect to Light Boxes and is in lieu of all other warranties, express or implied, including any warranty of merchantability or warranty of fitness for a particular purpose. In no event shall North America Display Corporation be responsible for any other costs or damages, including, but not limited to, lost revenue or profits, incidental, special or consequential damages of any nature whatsoever. North America Display Corporation products are designed to operate as a system. The use of other manufacturers' equipment in conjunction with North America Display Corporation products may be hazardous and therefore automatically voids all warranties. This warranty shall not apply to products that have been altered, improperly used or installed, subject to abnormal use or stress, or repaired by anyone other than a North America Display Corporation authorized representative. North America Display Corporation will not pay labor charges or assume any responsibility for labor expended or materials used to replace or repair any equipment without prior written authorization.

The following will apply to the return of any product to North America Display Corporation under this warranty:

- Product must be identified with North America Display Corporation Return Material Authorization Number;
- Returned to North America Display Corporation within the applicable warranty period;
- Received, transportation pre-paid (returns shipped collect will be back-charged for freight), within 21 days of authorization at (see address below);
- Found by North America Display Corporation inspection to be defective in workmanship or materials under normal use and service; will be handled in accordance with one of the two following procedures, as determined by North America Display Corporation:

Credit Procedure. North America Display Corporation will issue credit in the actual invoice amount if a copy of that invoice is attached to the packing list. Without an invoice, North America Display Corporation will credit using discount pricing.

Repair or Replacement Procedure. North America Display Corporation will, at its option, either repair or replace the product free of charge and return it or its replacement at the lowest cost transportation pre-paid. The replacement will be a functionally equivalent new product. Premium transportation will be used at customer's request and expense.

The warranty will not be honored if:

- Product is damaged or missing parts or accessory items;
- Product exhibits evidence of field misapplications.

Final disposition of any warranty claim will be determined solely by North America Display Corporation. If inspection by North America Display Corporation does not disclose any defect covered by the warranty, the product will be returned or scrapped as instructed by the customer and North America Display Corporation's regular service charges will apply. Products returned to the customer may be sent shipping charges collect.
