

PRODUCT DESCRIPTION

With a sleek and thinner diameter, our new EZ Stand frames are a great alternative to our premium backwall displays. Quickly assembled in just minutes, slide the tubes together and lock them in place with a push button snap to assemble the frame. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The bottom zipper - hidden from view, tightens the stretch fabric beautifully displaying your graphic from edge to edge. Disassembled, the lightweight frame and graphic fits inside a beautiful compact silver bag. Like our premium EZ Tube, the EZ Stand is also available in several size and shapes. Quantity pricing is available on our website.
